

Join us for the fifth annual Acadia Eye Conference at our new location in picturesque Portland Maine, set on a peninsula in Casco Bay.

Visit the Old Port waterfront's fishing wharves and converted warehouses with museums, restaurants, Western Promenade, landmarks, shops and the infamous Portland Headlight.

Network with professionals from all over New England in a casual, highly educational forum.

For reservations, please contact the Double Tree in So Portland ME at 207-775-6161 and mention the Acadia Eye conference for your discount. There are also several other hotels in the Mall area.
